THE BUSINESS

The Royal Bath & West of England Society is a charity that was set up in 1777 to promote and encourage Agriculture, Manufacture, Arts and Rural Crafts through an innovative approach to education and knowledge transfer. The business of the Society has evolved into three parts: -

1. Hosting financially viable agricultural and rural shows through Bath & West Shows Ltd.
2. Gaining best commercial value from our showground through Bath & West Enterprises Ltd.
3. Delivering our charitable objectives.

The Society is best known for hosting the annual Royal Bath & West Show on its own Showground at Shepton Mallet. At present it organises two other specialist agricultural shows, Grassland UK (every three years) and, annually, The Dairy Show - the country's largest such event. The Showground hosts a wide variety of other events organised by third party event organisers which, together with catering concessions, is worth circa £1m per year of additional revenue. It is felt that this area of the business has huge commercial potential not least with a newly refurbished 2-storey restaurant building completed in 2019 and the Rural Enterprise Centre that opened in early 2018.
