Thinking of becoming a member?

You can play your part in the encouragement and improvement of agriculture, arts, manufacture & rural crafts in the West of England by joining The Society as a Member.

As a member of the Royal Bath & West of England Society you are a part of a family that has supported rural communities and agricultural industries in the West of England since 1777. Throughout those 240 years members have, and always will be, an essential part of The Society with their support contributing to the realisation of its charitable objectives.

The Society employs a range of activities to deliver these goals; from grants, scholarships and awards to environmental projects and educational days, with perhaps the best known vehicles being The Royal Bath & West Show, Grassland UK and The Dairy Show.
